

Welcome to FNBT!

We work to provide you with an all-inclusive experience that makes transitioning automatic payments and deposits easy. We've created a checklist to put all your information in one place so this process is quick and painless as possible.

Use this page as your checklist for all steps. You'll send the following pages to other banks or companies with which you do business.

- Online and mobile banking
- Safe Deposit Boxes
- Passive Savings (Roll Over)
- SecurLOCK
- Personal Loans
- Mortgage Loans
- Trust Services
- Business Banking
