

accidental death + dismemberment insurance

When you open an FNBT Hi-5 account, your \$10,000 accidental death and dismemberment insurance begins immediately. Print your insurance certificate at FNBTrewards.com.

If this is a joint account, total coverage is split evenly among all authorized owners, as indicated on the account opening signature card. Read insurance certificate for full details.

If your family lacks the level of life insurance you want, this kind of policy can provide excellent supplemental coverage to assist with final expenses or medical costs after the loss of a limb.
