

eStatements

- Protect your **identity**.
- Protect your **assets**.
- Protect the **environment**.

Getting eStatements is easy.

If you bank with The First National Bank & Trust Co., take these three easy steps to get eStatements and begin protecting yourself from mailbox thieves. The incidence of identity theft is rising, sadly, but one of the key ways to protect yourself is to get your statements digitally, *not in your mailbox*.

On your own device, agree to the terms and conditions for eStatements with these simple steps below:

- Log in to online banking: www.bankFNBT.com.
- Select “online statements” tab (Electronic Statement Authorization will appear)
- Scroll down. Enter your “Confirmation Code” in box, click accept.

Remember, you’re not really enrolled in eStatements until you accept the terms and conditions.

Ask your FNBT banker about all the ways you can protect yourself from identity theft and fraud. We offer a range of services that can help protect you. Most are free!
